## Telephone Solicitors Search

Unless a seller qualifies for an exemption, §302.101 of the Texas Business & Commerce Code prohibits sellers from engaging in telephone solicitation from a location in this state or to a purchaser located in this state unless the seller obtains a registration certificate from the Office of the Secretary of State for the business location from which the solicitation is made.

This site has search capabilities that allow searches to be made for telephone solicitors who have registered with the Office of the Secretary of State. All fields displayed are searchable.

To obtain information or report an alleged violation concerning telephone solicitors please dial the toll-free Solicitation Information Hotline: **1(800) 648-9642**.
